

ABOUT:

The 4th Annual ZINO Green Investment Forum featuring 12-15 entrepreneurial companies in the areas of clean tech, green IT, energy efficiency and sustainable products and services. Presenting companies are early-stage or are seeking expansion capital in the \$250K-\$5M range.

ZINO Society will bring together thought leaders, angel investors, venture capitalists and entrepreneurs who are committed to the advancement of innovation and green economic development.

The presentation format is a 5 minute pitch followed by Q&A. Fund Investors will select three finalists for a final round of questioning by our expert panelists in our *Due Diligence LIVE!* segment.
